By Julian Baggini : The Ego Trick how to create an alter ego some of history's most important and distinctive

figures have created alter egos for a vast array of purposes a good alter ego can keep pride and ego down is a us army term for techniques used by captors in interrogating prisoners to encourage cooperation usually consisting of quot;attacking the sources The Ego Trick:

5 of 5 review helpful VERY PAINFUL TRUTH By Bill McLean I have rated this with 5 STARS not because I love it I hate it It is just TRUE I have had to re adjust my beliefs as to who or what I am But I wanted to know what is real If you also want to know read this book despite the fact that you will be sorry It doesn t take readers through all that is It just examines various philosophical opinions of personal Are you still the person who lived fifteen ten or five years ago Fifteen ten or five minutes ago Can you plan for your retirement if the you of thirty years hence is in some sense a different person What and who is the real you Does it remain constant over time and place or is it something much more fragmented and fluid Is it known to you or are you as much a mystery to yourself as others are to you With his usual wit infectious curiosity and bracing sc Baggini is exceptional within this popular genre for his clarity of mind Guardian Baggini mashes up philosophy with psychology Buddhism neuroscience considers the role of memory demolishes a theologian s bad arguments for the soul a
