1884 by seeley and co of london Masses, Classes and the Public Sphere:

Despite the passing of some forty years since the original publication of Jurgen Habermas's The Structural Transformation of the Public Sphere the fundamental concepts that informed the book remain prominent and distinctly influential So much so that the term 'public spheres' as Habermas introduced it has today become an ultimately foundational concept for assessing everything from intellectual debate and public access From Library Journal This collection explores the politics and intellectual history of Jurgen Habermas's The Structural Transformation of the Public Sphere published in 1961 in German and in 1989 in English one of the most influential works of postwar soci
