By Brigit Pegeen Kelly : The Orchard (American Poets Continuum) the orchard american poets continuum 1995 winner of the lamont poetry prize from the academy of american poets and the orchard a finalist for the national the orchard has 237 ratings and 14 reviews this collection also had a number of poems that were astonishing encounters

with the sacred although not The Orchard (American Poets Continuum):

3 of 3 review helpful Breathtaking By Jeffrey Lickson Reading The Orchard by Brigit Pegeen Kelly is an indescribable experience like listening to Rachmaninoff's Third Symphony or a Bach fugue Stunned by hypnotic images the reader is grabbed by the throat and ripped into a labyrinth of numinous voices quickening classical statues dripping mist rotting fruit flapping wings and a pulsing sense of the presence of music Richly allusive the poems in Brigit Pegeen Kelly's The Orchard evoke elements of myth in distinctive aural and rhythmic patterns Her poetic strength lies in her ability to cast poems as modern myths and allegories Propelled by patterned repetitions and lush cadences the poems move the reader through a landscape where waking and dream consciousness fuse Brigit Pegeen Kelly teaches creative writing at the University of Illinois at Urbana-Champaign About the Author Brigit Pegeen Kelly has published three books of poetry To the Place of Trumpets Yale University Press 1988 selected by James Merrill for the Yale Series of Younger Poets Prize Song BOA Editions Ltd 1995 winner of the Lamont Poetry Prize
