By Ole Fogh Kirkeby : The New Protreptic: The Concept and the Art The New Protreptic: The Concept and the Art:

Over the past decade managers have increasingly become aware of the need to refocus their organizations on the demands of creativity This has become especially apparent in light of the recent international financial downturn as

this type of structural crisis can only be met through innovation Innovation by definition a social enterprise demands open and committed dialogue To understand how dialogue has become increasingly important to leadership this book explo
